Eight strong songs in a midwestern folk-rock style; lyrically rich with intricate vocals. 8 MP3 Songs FOLK: like Ani, FOLK: like Joni Details: In 1999 an amazing thing happened to me: I made my first record. As Ani DiFranco once said, "People used to make records, as in a record of an event, the event of people playing music in a room." We tried to capture such an event during that hot, humid, Evansville summer when Jeff Ennis, Brian Mullins, Matt Wilson and I recorded the basic tracks for Evansville. The result is an eight-song reflection on my time spent in a quirky, Midwestern river town, and the joy and heartache of discovering that finding your own voice often means hitting the road. The tracks I am most proud of are "Evansville" and "Mother Rule", but people often tell me that "Sister" and "Break My Heart" are their favorites. Form your own opinion by sampling some tracks... and hopefully purchasing the CD! Find out more at emilystrand.com. Thank you for supporting independent artists. - Emily Strand
