Details: Greg Englert is a Sydney-based musician and composer who originally made a name for himself as a leading Jazz trumpet player, vocalist and composer. Greg then felt the urge to move towards more Rock and Pop style composition and took up the guitar. Greg's compositions have been described as 'perfect love songs', 'great for a romantic evening' as well as hints of 1950's Rock. Greg's contemporary compositions retain a hint of jazz but continue to explore the world of more current styles. They all, however retain the basic element of 'Love'. 'Here with you' was the first non-jazz album of original songs by Greg and ranges from ballads and blues to some straight ahead rock and roll.
