

Mp3 Happy Tongue - Rock: Hard Rock

[DOWNLOAD HERE](#)

Southern California power trio that plays hard, raunchy guitar rock. 9 MP3 Songs ROCK: Hard Rock, METAL: 80's Metal Details: Whoever said that hard rock is dead forgot to tell Happy Tongue. In a time when it is fashionable for performers to stand on stage and look at their feet, Happy Tongue makes contact with their audience and brings them into the performance, making it a truly interactive experience. High energy and passionate performances characterize what this Southern California power trio named Happy Tongue brings to their audiences. Happy Tongue is made up of Tony De La Cruz on drums, Greg Gault on guitar and Steve Gorski on lead vocals and bass. Influences such as AC/DC, Black Sabbath, Guns n' Roses and Led Zeppelin help Happy Tongue create their own brand of hard rock music which is characterized by great songs coupled with high-energy performances. This combination gets the hearts of every Happy Tongue audience pumping, and their bodies moving. The goal of Happy Tongue is to create an atmosphere for their audience to leave their cares behind, and climb into the world of Happy Tongue. Music can take you many places, and with story-oriented songs, Happy Tongue will take you on a journey every time you experience them. Song titles such as "She Wants My Sister" and "Handcuffs Chocolate" keep fans talking and thinking about Happy Tongue long after they have left the stage.
