----- Ponder Yonder was Indecision's first CD release (1991), and it is still our overall best selling album with 3 pressings and over 10,000 copies sold throughout the United States and abroad, and counting... Several guest musicians made appearances on this album, including Kent Raine on percussion and Dave Matthews collaborator, Shannon Worrell of Charlottesville, VA on vocals. Ponder Yonder is a timeless reflection of Indecision's unique sound. Some of the rehearsal sessions for Ponder Yonder were recorded by Danny McCrystal at Trax in Charlottesville, VA. These recordings may be released for sale in the future. Ponder Yonder was produced and engineered by: Jim Ebert Recorded and mixed: Cue Recording Studios - Falls Church, VA Assistant engineer: Jeff Littlewood Masterd and Manufactured: Nimbus - Ruckersville, VA Artwork: Evolve Productions Publisher: Fancy Clothes Publishing - Atlanta, GA INDECISION has released four studio recordings, "Indecision" (1986), "Ponder Yonder" (1991) "Reservoir" (1993), "The Great Road" (2004) and one live recording from the Chameleon Club in Atlanta, GA on May 18, 1996. You can buy all of them except for the first album here. To write a review about this CD (we always enjoy hearing from you), please go to the bottom of this page.
