Romantic and easy listening, adult alternative, 80's retro soft rock. 10 MP3 Songs EASY LISTENING: Soft Rock, ROCK: 80's Rock Details: Jeff's recording debut is a concept CD that deeply explores the triumphs and the tragedies of searching, finding and losing love. Not a new concept by any means, but one written from personal experiences with much care and devotion. Devotion and care which show through in every performance. Within every song one can feel how Jeff's lyrics and music are constantly striving to connect on many different levels with the deep emotions and feelings of the listener. The musical content, vocal and musical arrangements on "Waiting For The Fire" are reminiscent to the musical stylings of classic artist's such as Styx, REO Speedwagon, Christopher Cross, Gino Vannelli, Bread, Richard Marx, Kenny Loggins and Dan Fogelberg -----
