Related styles: POP: Today's Top 40, URBAN/R&B: R&B Pop Crossover People who are interested in Britney Spears Justin Timberlake Timbaland should consider this download. Details: TrebleMusic Productions announced this week they will release Joey Salinas second full-length studio album, And Then There Was Alexander. The album is the much-anticipated follow-up to Salinas award-winning 2005 debut album, In the Beginning, featuring the ballad All of Me and the single The Beat of the Drum, a dance floor smash that yielded Joey Salinas a Billboard Magazine award. Before signing with TrebleMusic Productions, the DC-based artist had already established an impressive underground fan base for his eclectic range of music singles, including the urban drum-based Nympho/Maniac (2007), also featured on the debut album. And Then There Was Alexander continues Salinas voyage into the varied and often-times complicated adventures of a young mans life. The first single to release from And Then There Was Alexander will be Bedtime, a song penned by the artist. As Joey Salinas describes it, the true-to-life track was inspired by the heated anticipation of a hotel booty call. I got to the room, changed clothes and then waited. I waited and waited some more. I was anxious and horny as hell, he explains. So to distract myself, I grabbed a pen and notepad and allowed the urgent, erotic energy to spill over into a tune. The ups and downs of Joeys rollercoaster emotions bleed into his music. It is that personalized touch that critics say makes the young artist unique and unforgettable. Life inspires me to write songs. I take from my experiences and craft music. He laughs, but isnt joking when he says, friends and family know not to upset me because they will end up in my next track. I tap into a wide audience because I dont limit myself to a particular subset, Joey says. I reveal and explore every aspect of my self: my sensitive side, aggressive side,

sexual and moody sides. I think it helps makes me relatable to a lot of guys. And women respond because Im giving them a window into how men think. My ultimate mission is to reach into the hearts of fans and enhance their lives. Maybe I can help them get through a hard time, or make a good situation memorable through music. Joey Salinas And Then There Was Alexander, and the first single from the album, Bedtime, release to CDBaby.com, iTunes, and stores worldwide from TrebleMusic Productions. Joey Salinas will support the releases with a national club tour. For specific tour dates and more information on the artist, visit [Joey-Salinas.com](http://Joey-Salinas.com).
