Acoustic folk pop electro songy songs 10 MP3 Songs FOLK: Modern Folk, FOLK: Folk Pop Details: Some things are born in strands, like hair, DNA and guitar strings. Two out of three isnt bad. So Im bald. So what? If people would stop making an issue of it, I wouldnt have to spend this valuable CD Baby selling space on a soapbox. Ill step off it now. Im sorry. Im not sorry. I like being bald. It is very fuel efficient, in this age of escalating gas prices. Crude oil is \$68.40 a barrel as I write this, according to Bloomberg, whoever that is, whatever that means. But I dont care. The aerodynamic qualities of my head increase fuel efficiency. I have a green 1978 Honda Scooter known as The Hopper. When I ride, I wear a sleek black helmet that makes me look like the Great Gazoo on the Flintstones. The redundancy is striking. Ive got a pretty hard head. A bald one. Sleek. Dinners Club, baby. Apartment is just 20 minutes long. Its pretty aerodynamic. If youve read this far, I must say I appreciate your attention, which is at least as valuable as crude oil. Speaking of crude, well, I wont go there. But I will thank you for your attention.
