Heart Rockin' Folk/Pop - a mix of styles including influences of New Orleans piano, soulful acoustic moods and melodic rock with thoughtful lyrics that are some fun, sometimes intense, but NEVER brooding. 12 MP3 Songs POP: Folky Pop, BLUES: Piano Blues Details: After years of gigging in salty barefoot beach bars, upscale clubs, schools, weddings, funerals, etc. . , Kathy offers her own stories inspired by characters encountered along the way. Although these tunes are derived from the real grit' of life, they capture a positive perspective that's missing from the airwaves of today. Chock full of talent and substance, a little wiser will remind you of a time when songs were affairs of the heart, not just products. While Kathy is known as a barrelhouse piano queen in some locals, and as that girl with the folk guitar' in others, this debut CD has been her chance to fully explore her own song writing Muse. A great cast of NC musicians provide an impeccable backdrop for her compositions. In addition to some solid, interesting rhythms, the tasty sax, fiddle and guitar solos are the icing on the cake.
