

# Mp3 Keyboard Cathy - Inspiration

[DOWNLOAD HERE](#)

Imagine a female voice that belongs on Broadway along with a touch of Divine Comedy inspired orchestral pop sounds. 13 MP3 Songs EASY LISTENING: Crooners/Vocals, EASY LISTENING: Musicals/Broadway Details: What happens when you mix orchestral pop sounds with original Broadway show tunes? The end result is Keyboard Cathy singing "Broadway pop" on her debut album, "Inspiration", which came out in in July, 2006. The Broadway pop music on "Inspiration" can be best described music from a Broadway show that doesn't exist with pop sounds inspired by the orchestral ballad/theatrical side of The Divine Comedy. Expect to hear bouncy Broadway-style songs and uplifting pop that will have you flying through the air on a fluffy, white cloud. "Inspiration" takes listeners on an intimate, musical journey about a variety of topics including: Eternal love in the afterlife Corporate politics Sushi appreciation Falling in love Falling out of love Corporate downsizing Corporate burnout Making friends in Barcelona A speech contest, and last but not least, Altruism
