The deemed Saint has gone through his share of triumphs and defeats in his six year stay in the Hip Hop Music industry. Well known for his beginnings in the group The Fallen Saints who changed the hip hop scene in Phoenix as 4 kids still in high school came with a dramatic entrance onto the scene offering many opportunities for other artists not following the ideas and ideals that many mainstream artists and record labels put forward. After the groups falling out, Lan-C decided to push forward with his solo career. He did many shows performing in various cities. He independently released the EP As I Walk Through The Shadows which he only printed to allow fans to know that he had not left the game. This release allowed him to sign a record contract with Zatu Records. With a new label, a new image, as well as a new outlook and a new goal for his life and career, Lan-C is confident that he is simply a messenger meant to show the world something new. Devout in his beliefs, evident in many of his songs, Lan-C is ready to use his God given talents to help the world understand an alternative route. Are you prepared for something new? Something Ground Breaking? Something Real? Are you ready for Lan-C the Saint?
