Bringin ganksta rap bacc, this album is one of the hardest albums to come out of OC, with all the special guest features on the album, it brings mutiple styles for you to ride to. 18 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: West Coast Rap Details: NEW ALBUM ON CD BABY, THA CITY OF DEMONZ, CHECC IT OUT. cdbaby.com/cd/lilant2 DONT MISS OUT started writing in 1992 at the age of 10, along with my best friend "koncept", ever since then we been tryin to put it down. in 2002 i put out my 1st album called "finally on wax" dedicated for the hard times tryin to get put on in the rap game when nobody felt my style, so in the end I just said im a do it all by myself. 17 songs with no guest appearences. 2003, i released my second solo album called, "ganksta rap resurrekted" i started the crew sicc twizted gankstaz (stg) and I am the proud ceo/owner. I been through alot in 2003, i made a name for myself and i found out who's really on my side and who's out for themselves. 2004, workin on 2 new albumz, 1st called "city of demonz" named after my city of costa mesa, california in orange county, the 2nd cd called the unforgotten/lost album, i'm really tryin to keep this music goin, if i dont ever make it in the rap game, i just want people to know that i'm really workin hard on my music, tryin to bring the west coast bacc, tryin to put it down for "o.c." but what i've come to figure out, "o.c." aint tryin to support a nigga, they dont even give a fucc about tryin to get orange county out there but i really dont give a fucc im still gonna pump it into peoples veins. I made alot of friends and made alot of enemies in the rap game, I'm also part of "mansion of mayhem" i also roll with "krooked elements" krooked tee 1 of my closest homies, were tha ones you'll see in tha streets sellin cd's, promoting puttin in work. I'm also down with 1605 records, the band called "six" their tha homies, their also on this site. we've done shows at the queen mary in long beach california and china beach in san clemente california. I wanna give shouts out to the band "kontiki", the homies from "d.o.p. inc." and "cph" and the homie "phishbone" there also on "cd

baby" so checc em out, thatz tha family.
