In 2006 he put together an explosive mixture of heavy-weight professional musicians to form the band LUCASONIC. With Matthias Trippner on drums (RAD, Stefan Raab), Martin Hornung on keyboards (weekly appearances on MTV with the Sarah Kuttner Band) and Sven Kerschek on bass (HR), the mission was clear from the beginning deliver some hip-shakin funk made in Berlin. The band went into the recording-studio straight away and now proudly presents its debut album The Beat. Screaming horn sections and wild vocal harmonies are balanced with solid beats and bad-ass grooves.
