

Mp3 Manny Moka - Latin: Latin Jazz

[DOWNLOAD HERE](#)

Latin Jazz/Funk - Members from the bands of Santana and Chick Corea along with some smokin' session players join together to lay down some tracks that are HOT, SASSY, and FUNKY. 12 MP3 Songs LATIN: Latin Jazz, JAZZ: Latin Jazz Details: Brooklyn born Manny Moka began studying classical piano at an early age, but soon found himself influenced by the exposure to the broad musical spectrum that serves as an underscore to life in New York City. He eventually moved to the west coast doing independent production and arranging, but maintains close ties back east. On this album, he has assembled a stellar group of musicians to put down some burning tracks of original tunes that combine a sassy, funky attitude with picante latin rhythms. A smattering of smooth jazz along with a Clare Fischer classic round out the collection.
