With a sound being hailed as "refreshingly original" with "great hooks," Marlon Spike - PianoSaxBassDrumsVocals - will fill the groove otherwise missing in your life. 12 MP3 Songs POP: Piano, ROCK: Roots Rock Details: Marlon Spike is a sound... Call it rock. Call it piano-driven pop. Call your friends and tell them you just heard something undeniably unique, groovin', and altogether catchy. Boasting a jazz-like lineup of piano, sax, bass, drums, and of course vocals, this is one 'rock' band that is sure to turn your head, no matter what you're looking for. In today's music scene where image alone can suffice, Marlon Spike stands out as being a group of truly talented musicians. It's not often you come across a tight groove laid down by drums and bass, virtuosic interplay between sax and piano, clever heartfelt lyrics, and inspired songwriting... much less all of this packaged into one band. Indeed, Marlon Spike demonstrates a maturity and a musical connection that come only through years of playing together. Drawing upon eclectic popular musical influences that range from rock to funk to jazz, Marlon Spike forges a uniquely accessible vibe that has excited audiences throughout the Philadelphia region and fans across the country. Their love of the music they create comes through in their energetic live shows. Two things are for sure: you'll like them, and you won't find anyone else quite like them. With the release of their debut full-length release One Step Closer, Marlon Spike looks to bring its music to a rapidly expanding audience.
