Any member of an order (Marsupialia) of mammals such as kangaroos, opossums, etc. , of whose females typically lack a placenta carrying their young in a marsupium or pouch. The name MarsupiaL was chosen to symbolize a common philosophy about making music: to realize a creative organization that was based on the virtues of a tight knit family, and keeping the music in the pocket. In addition to playing numerous headlining shows, MarsupiaL has had the pleasure of opening for such bands as Schleigho, Bloodkin, Bellyfull, ulu, Strut, Deep Blue Sun (featuring David Blackman), and The Jerry Garcia Band (featuring Melvin Seals).
