Mike Rof In 2001, after teaming up with Los Angeles artist Jenni Alpert for a summer tour of the West Coast, Mike released the four song E.P. Groovy Tunes For Your Ear Hole. Produced by Jenni Alpert, Groovy Tunes included the sultry sleepless summer song "Hard On Each New Day" and the audience favorite "Fairy Tales and Pennies,". Groovy Tunes was the pre-cursor to Mike's most recent venture, Terms of Perfect. Produced by Squish The Bad Man's Dave Middleton, the album's musical arrangements of lead guitar lines, drums, and bass do a wonderful job of complimenting Mike's solo performance. Currently, Mike can be found playing shows and open mic nights in the Sacramento area. He generally plays solo acoustic, but it isn't rare to see him playing with backing musicians. Mike Rof always looks forward to entertaining new audiences. For booking, please e-mail jokerrockstar@hotmail.com call (818) 632-9593.
