Contemplative, melodic trance 16 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Techno Details: Noah Cohns skills as an artist have grown and changed over this year in which this album was written January through October 2006. The beat and energy of the previous two albums is there, along with a broader range of expression. It is a journey through mindscapes of sound. The album, like the previous titles, is avant-garde and explores new sonic territories. The pulsing rhythms of trance take on new life to incite your mind to action!
