Details: Norman Rose grew up in a small Texas town, and has lived on both coasts of the U.S. Having lived on prairie, near seashore, in desert and in large city, he has soaked up the landscapes and moods of his travels. But more importantly, he has developed a rich inner life that reflects in his music. Norman trained in piano and organ during his youth. Later, he jumped into the digital world of synthesizer music, where he could unlock potentials for choices in instrument, rhythm, and emotion. He now resides in northern California, composing with a rich array of authentic and synthesized sounds. This album is Normans exploration of classic space music with a full range of moods you would expect from this genre. His personal touch can be felt throughout, in his melodic soundscapes and in his feel for drama, tension, and resolution.
