Details: The Rose City Projects Rose City is the first compilation of original music featuring some of Portland, Oregons finest musicians. The idea behind the Rose City Project is to bring together local musicians to create new music as well as to inspire younger musicians and support music educational endeavors. All proceeds from the CD will go to the Rose City Foundation, which will benefit music education by: Providing gear for schools Providing scholarship money for advanced music education Offering the opportunity for school orchestras, jazz band, vocal ensembles, choirs, to perform live and record the experience AND to create CD masters for their own fundraising purposes Offering hands on opportunities to learn about a career in music retail, music wholesale, and musical equipment industry The Rose City Project was founded by Cliff Castle, who also produced the 11 track CD. The original idea, Castle states, was to write a cool, funky song as a tribute to the city of Portland. We came up with Rose City, and in the process, had so much fun that we decided to make it into a full project and include as many local musicians as possible. The players are all superb. Weve got seasoned vets, as well as newcomers, and each of them is a star in his own right. The musical talent in Portland is astounding; there are many more artists who want to be part of the next project. Featured players include: Gene Houck (Maria Muldaur, Roy Rogers, Norton Buffalo), electric bass and vocals. Patrick Lamb (Bobby Caldwell, Diane Schurr, Gino Vanelli, Ray Charles Tribute Band) , saxophone. Eddie Martinez (Robert Palmer), electric guitar. Jay Bird Koder (Chick Corea, Gino Vanelli, Steve Miller), electric guitar George Mitchell (Diana Ross), keyboards. Danny Hull (The Doobie Brothers), saxophone.

Luis Pain (Mel Brown, Bernard Purdie) The Brown Sisters, vocals Liv Warfield, vocals As Castles musical background is based around classic R B, funk, jazz, and pop; the songs on Rose City are all slanted in those directions. I like to write songs with simple lyrics, strong melodies, and a chorus that you can sing along to. If it doesnt sound good with just acoustic guitar and voice, it doesnt make the cut. That said, when you add the sounds of some of Portlands best the music really blossoms! Other players include: Eric Johnson, acoustic guitar and Vocals JaKar Able vocals Renato Caranto, saxophone Israel Annoh, percussion Reinhardt Melz, Anthony Jones, and Mike Snyder, drums Kevin Deitz, acoustic bass Joe Powers, harmonica Dave Mills, trumpet
