Breakbeat-Trance-Hip Hop-Progressive reflective grooves. 18 MP3 Songs ELECTRONIC: Breakbeat/Breaks, ELECTRONIC: Trance Details: Josh Voinar and Joel Millar were first inspired by Playstation MTV Music Generator. Currently six years into music creation, self taught and relying on advice from trusted freinds, we are proud to present you with the result. A compilation of many styles including breakbeat, trance, hip hop, and electronic. Hailing from Berkeley, California, we are submerged in an ever evolving diverse, cutting edge, and urban enviroment where anyhting goes. In constant collaboration with a multitude of artists, visual and audio. Doing whatever it takes to satisfy the need to create, we do what we love regardless of consequences or opinions. Coinciding with our music, we also do all our own graphics, layouts, formats, printing and production.
