Details: Before I start telling you about who I am and where I come from, I would like to take this time first of all to say thanks to all of you that made this album possible. One big thanks goes out to my heavenly Father, without him none of this would be possible. Next I would like to say thanks to my lovely wife, that was always there for me to keep pushing when I thought I couldnt go on, and I would like to say thanks to friends at The Fantastic CD Baby for helping me to get heard in ways I could have never ever accomplished alone. Now about me, my name is Theopolis Stewart, I know it may not sound much like a show name, but my wife decided that Theopolis would be unique, so here I am and I will always give you { my fans and friends all of the very best of me. } Im from Tampa Florida, I was born into a musical family of singers and dancers, my Mother had a voice like an angel, she could sing anything without music, and her voice inspired me to want to sing, my tap dancing uncle wanted me to learn to be a tap dancer, I tried some of his fancy steps, but I wanted to sing and that is the road I took. So starting from my tender years of Elementary straight through Sr. High I was always involved in Music mainly singing. Shortly after getting out of school, I was called to Atlanta Ga. to perform as a single artist on the Faith, Hope Charity Review. After that I returned home where I began building my own singing group, which was called the \*Empires\*, we went on to perform as an opening group on tours with Stars such as William Bell, The Soul Children, David Ruffin, Johnny Taylor, Jackie Wilson, Stevie Wonder, Gladys Knight The Pips, and many many more, all of that was made possible

through The Henry Winn Enterprise of Atlanta Ga. Then all of that ended, and I remained in the music business, singing here and there and writing songs after songs, so I decided to do something with all these lyrics and music, so here I am working very hard to give to you the very best of me, and I will do just that. This is my Debut CD entitled (Ill Never Find Another You), so open up and enjoy! Oh Yeah!...and to all of you who would like to know what kind of name Theopolis means, its Greek , meaning { The City of Love }, so you know everything coming from me to you will be spiced with love, now let us get down!
