Political spoken word with music to wake you up. Dealing with yesterday, tomorrow and today's issues that has an effect on you. 9 MP3 Songs SPOKEN WORD: Prose, HIP-HOP/RAP: Political Rap Show all album songs: America Not In My Name Songs Details: My righteous name is Tramin. Born in Y-Town, baby Chi-town, for those of y'all that know what I'm talking about. For those that don't know, that's Youngstown, OH. Now living in the big H, Houston, TX. If you want to stay deaf, dumb and blind, don't waste your time listening to this CD because the truth hurts worst than lying. On this CD I'm not trying to preach but I am getting deep, trying to reach open your eyes and give you a peep about those that steal and stole your minds and souls. I'm dropping word giving it to you straight d....ah curve plain and simple from my mind to your temple from my brain to your crane and not let you hang. You see the Last Poets let you know it, The Watts Prophets didn't drop it and Brother Gil Scott kept it hot, so as a poet it's my obligation not to stop. So sit back check a couple of tracks. Listen to the first CD that I dropped support ah brother go ahead and cop.
