Rebrand, Label Or Stamp Any PDF Documents Easily PDF Labelling and Stamper Pro is an advanced professional industry based software that enables you to stamp content into any single PDF document. It's even able to add almost all types of images and texts. These processes can be realized in all of pages with precise control over the size and position, the stamped text and/or images become a permanent part of each PDF document (supports batch processing). This tool lets you stamp watermarks such as 'Confidential' on pages that include sensitive information or 'Draft' on a preliminary PDF document to be distributed for review. You can stamp PDF document names, revision numbers, Date/Time stamps, contact information, or any text that you need added to the file. With the image support you can stamp company logos, author signatures, products, charts or any artwork in many image formats. A Scale feature is provided with image stamping to easily increase or decrease the size of the stamped image, leaving the original image size intact. Support image formats: JPG/BMP/ICO/EMF/WMF. NO ACROBAT SOFTWARE NEEDED! Imagine this, you would like to offer free preview samples of your eBook or Product Manuals and you wouldn't want them to copy a single thing from it, all you need to do is tick the check box and the PDF copying function will be disabled. No matter how many times the user tries to save it as the disabled copying function still remains. Now you may be saying what happens if the user intends to print it and pass the hard copy along? The good news is, that can be disabled too! No more plagiarism and and you will get the credit you deserve every single time. PDF usage is rising as we speak! More and more authors are using PDF instead of any other because of its cross platform compatibility. PDF can be viewed on both MAC and Windows. And now with PDF Labelling and Stamper Pro you can brand any PDF document and have the Sponsored By Your URL Tag. Imagine what that can do to your business..... You surf through the net and you found a great resource in PDF and you would like to share it, but then of course you want to maximize your returns by having the referred person as your lead...just use the STAMPING function to apply a stamped version with your details and see the magic of this software as the eBook gets pass along. It's simply a no brainer. Tags: pdf
