

The Princes In The Tower - Alison Weir

[DOWNLOAD HERE](#)

The story of the death, in sinister circumstances, of the boy-king Edward V and his younger brother Richard, Duke of York, is one of the most fascinating murder mysteries in English history. It is a tale with profound moral and social consequences, rich in drama, intrigue, treason, scandal and violence. In this gripping book Alison Weir re-examines all the evidence - including that against the Princes' uncle, Richard III. She brilliantly reconstructs the whole chain of events leading to their murder and reveals how, why and by whose order they died.
