

The Wages Of Corruption - Sammy Oke Akombi

[DOWNLOAD HERE](#)

Corruption is endemic in Cameroon. Twice, Transparency International have accorded the country the infamous first place in corruption. As one of many concerned Cameroonians, Sammy Oke Akombi was moved and they realized that something was in fact wrong somewhere and something had to be done somehow. This collection of short stories is his contribution to the collective resolve by concerned Cameroonians to wage a war against this most unusual friend of fairness. The stories seek to elicit awareness about a social ill that is ironically championed by the very politicians, functionaries, educator, leaders and power elite whose duty it is to keep society healthy and on the rails. The stories are on corruption in different segments of society and about the people who perpetrate it. Almost everyone is immersed in it and so must make every effort to resurface from it. It takes only the will to stay alive because the wages of corruption like any other sin can only be death. Author: Akombi, Sammy Oke
