

# Counter Service Script

[DOWNLOAD HERE](#)

The counter website allows visitors to search for the top visited websites participating in the counter program. Websites can list their sites for free and in return they will receive a counter for their website. After a website has registered, he/she is able to select the category that best describes their website, add a description and copy and paste the counter code for their website. Statistics are provided for each website. Siteadmin panel: 1. Admin can add/edit/delete members 2. Admin can add/edit/delete unlimited categories and subcategories 3. Admin can add/edit/delete banners 4. Mailing list manager - send emails, delete subscribers, message archive 5. 6. Manage the site settings - title, keywords, description, Contact email, and FAQ. 7. Admin info - change username, password, name, email REVENUE DETAILS : Use the counter website to promote affiliates, sell advertising space or promote your own websites. This Script Package comes with 8 AMAZING Templates you can choose for your script! It also comes with a special software you can use to edit your scripts with just a click of a button!
