Rap / West Coast Rap / Hip Hop 12 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: West Coast Rap  
Details: BayBrotha offers an alternative to the meaningless rap that fills the airwaves. BayBrotha is a man with a message. This artist reminds me of the late and great 2 Pac. His strong vocal presence and ability to entrance you with his storylines and message will definitely keep you listening. BayBrotha writes songs about real life and relationship issues in a way that's unique, hard and smooth at the same time. This project is filled with hard-hitting beats, smooth melodies and hooks, and acoustic guitars all produced and played by BayBrotha. BayBrotha's got the Lyrics, Message, look, voice, style, and music to be the next hot thing to hit the industry. Just listen to BayBrotha and you can be the judge.
