BlueNevada's first full length LP "The Day Be You", released by Cloverspell Records ; May 2003, is available at some mid-atlantic record stores and on the web. Known for their powerful live performances, BLUENEVADA has set out to tour the mid-atlantic region in support of their debut release. The debut CD is a mixture of songs written by brothers Shannon and Dusty Corbin. "We both act as front men, the album features both of us on lead vocals and lead guitar. There are long, wild guitar leads and alot of guest appearances. It was fun recording our first album, I can't wait to record more. We love to play, so we'll be touring a lot and recording for a very long time..... Dig?
