----- About Billy Hillman... (abridged version) Billy has been playing guitar since his early teens. He has formulated his unique sound by integrating elements of country, rock, blues, and swing. With his articulate finger-picking, Billy weaves melody into each song's chordal structure to create a distinct playing style. Nashville Studio Musician - including Monty the Pythons "The Real Thing" featured on the Texas Music Chart. Guitarist for national touring artists including David Ball (8 yrs), Sara Evans, and Steve Holy. Grand Ole Opry performances - many times Televised performances on the following television programs: House of Blues, Late Night with Conan O'Brien, Austin City Limits, The Statler Brothers Show, Prime Time Country, and Music City Tonight. Nicknamed by fellow musicians as the "wiz" in his ProTools Studio. Billy produced an album for Texas Artist, Micah Sims, in 2004. A joint project with Cass Hunter, "Cass Billy - Honey House", released in Nov., 2006.
