Love songs in an upbeat folk-rock style. Dr. Del adds a wealth of guest vocalists to make this CD a heart-felt winner. 16 MP3 Songs FOLK: Folk Pop, ROCK: Adult Contemporary Show all album songs: Only Love Songs Details: Only Love - That's it, only love, just love, nothing but love, 16 tracks of love songs. If you are fed up with hearing about love and the power of loving the important people in your life, THEN DON'T LISTEN TO THIS ALBUM! On the other hand, if you have had a hard day and need to have your spirits lifted, then listen to this CD about TEN TIMES. "Only Love" is sixteen songs about the power of love, the warmth of love, the joy of love, the ecstasy of love, the newness of love, the healing of love, the endurance of love, and the beauty of love. After listening to these songs, you will feel so much better that your stomach may be queasy. Each song was written for someone in my life, most of them for my wife MaryAnn. I love her more than I can possibly express, but I tried very hard to come close with these lyrics. My guess is - you have a MaryAnn in your life, someone whom you love very much. It may be a lover, a spouse, a partner, a child, a grandchild, a friend. Then, I also wrote these songs for you. Listen, sing along, enjoy the love that you have and dream about the love yet to come. Lyrics make the message: "Dusty road sees our silent footsteps, hand in hand. Treasured moments of a captured time, I understand. How much I love you, how much I want you in my life. Lifting up my soaring spirit, in this dance." (Just Like Your Love) - or - "I've seen love in my lifetime. I've had joy in my life. Then I saw the magic of your beauty and what I've seen and what I've had, they just all came apart." (I Believe in Love) - or - "I waited for you and my wait seemed so long. I watched for you through days and days I stayed strong. With time so scarred I knew your love would right the wrongs." (I Love You) - or - "In a world of instant joy and instant pain, with change as the constant, nothing stays the same. Love is the casualty, its here and then its gone, but your love is the one to stay." (In the Long Run) Really now, I'm not kidding.

This is "Only Love." Enjoy! Love to: MaryAnn, Max, Grahm, Nicholas, Miles, Isaac, Olivia, Jacob, Cooper, Reese, Michael, Elaine, Jeffrey, and Neil. Dr. Del musicians, singers, friends: David Losey, MaryAnn Losey, Karen Powell, Angela Hoffman, Andrea Anderson, Jon Beyl, Grahm Kerber, SCE Choir, Debbie Bartley, and Katie Turner. - - - - - Dr. Del is the front band for Dr. David Losey (pronounced low see). David is an educator and licensed mental health counselor, who began pop-rock guitar music with the explosion of the Beatles in 1965. After playing with several garage bands in high school and college, he focused on writing folk-rock material, while always maintaining the pop-rock sound. Today, Dr. Del centers music on political issues and on the saving power of love. The songs blend metaphors and heart felt emotion with sing-along refrains. - - - - - If you want a free copy of the lyrics chords, email: sc.counseling@yahoo.com Peace, David Dr. Del
