

Mp3 Ebbnflo~ - Innerface

[DOWNLOAD HERE](#)

A journeyful colored mix of house-flavored and tranciful dance tunes guaranteed to take you... 7 MP3 Songs ELECTRONIC: House, ELECTRONIC: Trance Details: "from the Micro to the Macro we experience the Divine, in between the Spiritual and the Physical, we are the Connector, we are the Innerface" Former lead guitar player in the L.A. blues based rock band "Bo Riley" relocated to the SF Bay Area in 1995 soon after the band became defunct. His introduction to electronic music was his saving grace and has since become his passion. He produced his first release "Innerface" in 1999 and released it on his own label - Orbit Records in 2000. He's currently producing his second release and performs live from the SF Bay Area to Ontario, Canada at the OM Festival. Home: San Francisco Style: Psychedelic Trance, Progressive House, introspective to funky downtempo Chill Latest Release: Innerface - Orbit Records Background: Lead guitar, record collecting, FM radio dj, record engineering and production, high school band trumpeteer and gifted and talented program for music compositions. Live Gear: Roland MC-303, MC-307, PC200mkII controller keyboard, Numark Matrix3 mixer, Axis8 CD deck, Pioneer CDJ700S CD deck. Ebbnflo often performs in live situations, arranging and mixing on the fly, pulling from a library of many textures, rhythms, melody thoughts, feelings and emotions, energy fed by the witnesses who are also a endless library of textures and rhythms.
