It's Hank Williams Sr. meets the Beatles, sung by James Taylor - A Melting Pot of Melodies, Made Fresh Today. 14 MP3 Songs FOLK: Folk Pop, COUNTRY: Modern Country Details: Influenced by Hank Williams Sr. and the Beatles, and with a voice comparable to James Taylor - Gary's music reflects the everyday lives and situations of real people and touches the spiritual and religious aspects of life as well. With no set sound of genre Gary's debut CD, "Surely You Know", can be called a Melting Pot of Melodies. With over 25 years of playing guitar and writing songs, Gary has stepped out of his comfort zone of just playing for friends and family, and has recently ventured out into doing more with his music. Though he's not sure what all "more" will entail, all he knows is he wants to discover his potential as a singer/songwriter. He is putting himself "out there" with his self released debut CD, "Surely You Know" - containing 14 original songs written and produced by Gary. Born and raised in California, Gary is a recent transplant to Florida. Gary and his family have been here for almost 2 years after a 10 month sabbatical traveling this beautiful country of ours.
