A critically acclaimed singer/songwriter with top 10 country hits and #1 video has jumped soulfully into the Americana genre, with a sound somewhere between Lucinda Williams and Sheryl Crow, yet very unique. 10 MP3 Songs ROCK: Americana, COUNTRY: Country Rock Details: The insurmountable emotional chasm between the genders proves fine ground for many of the 10 songs on elusive Indiana-born Jann Browne's first U.S. release in six years... An alumna of the celebrated Western swing band Asleep at the Wheel, she had a handful of solo chart singles on Curb in the early 1990's and has penned songs for the likes of Lee Ann Womack and Joy Lynn White. Yet her voice is a quirky and persuasive instrument that covers the range from edgy alt-country anger to little-girlish peevishness and vulnerability..... excerpts from Bob Allen's review of "Missed Me By A Mile" at sonicnet 10/8/01 -"Missed Me By A Mile" is an absorbing collection of roots rock and country. In my view, it rivals anything by some of the acclaimed leaders in that genre,artists such as Lucinda Williams and Steve Earle.....Gene Harbrecht, Orange County Register
