Rhythm and Blues Singer doing multiple genres, Zydeco, Reggae, Jazz, Blues, Latin, Classical 17 MP3 Songs LATIN: Latin Jazz, BLUES: Piano Blues Details: Sounding a little like Lou Rawls, this artist covers many genres using his strong piano based driving rhythms to push the music forward. This CD also has a classical piece for cello and violin composed by Jim. His dual citizenship (Costa Rica/United States) has clearly influenced his vision you also get the sense that he doesn't take life too seriously as evidenced by the cuts 'Breathi Chicinger' and 'Big Foot Stole My Wife' Remember to turn it up loud when you listen.
