Think Nelli Furtado meets Alicia Keys. Pop, alternative and urban sounds blended together defying musical categorizations. 10 MP3 Songs POP: with Live-band Production, URBAN/R&B: R&B Pop Crossover Details: ABOUT "TINY RAINBOW" Johnnie Lee is joining the force that is redefining contemporary music. Undoubtedly inspired by all genre of music, "Tiny Rainbow" reflects what JoLee is made of. Defying long standing musical categorizations, she expresses emotions of angst, being in love and sharing hopes of a better day, with the infusion of pop, alternative, folk, rock and R&B. She intertwines breezy, dreamy vocals with that of a spoiled, rotten child to sultry and soulful to express the moment, the mood and the message. "Tiny Rainbow" reflects brilliant colors of optimism, perseverance, romance and sometimes anger and resentment. "Gripe" which could easily be the anthem for every angry woman artist struggling to find her way, is amusing and spiteful. "Notice Me" is about a woman's plan to spend her life with a man she's never met. "Apologize" the sultry ballad depicting a woman's scorn over her lover's affair with a beautiful exotic dancer. Are they true to JoLee's life experience? Let's hope not.
