ecléktrico = eclectic + electronic a dark-sexy-groovy-journey from dance rock to latin fusion 17 MP3
Songs ELECTRONIC: Dance, ROCK: Goth Details: Never searching for the ancestors, but always searching what the ancestors searched for. Born, raised and inspired by Latin America, KIKs art transcends boundaries. Ecuadorian architect, musician, photographer, Enrique (KIK) Villacis Tapia is the conscience of a citizen of the world with a strong South American identity. KIK is the leader of runka an Ecuadorian multidisciplinary team of artists that produces mixed media art since 1997. Dj since 2000 producing mix sets, remixes and original tracks based on South America's traditional art. His mix sets always challenge the audience by exposing them to unexpected sounds. Currently living and performing in Philadelphia (USA). KIKs mixing style: ecléktrico: eclectic + electronic, including genres like: electro, minimal techno/house, deep techno/house, and of course: electro andean/tango/bosa/latin DJing is like creating a collage, a collage of sounds. DJing is like painting with music.
