A delightful presentation of Word for Word Scripture in a Christian Contemporary format blending nuances of Jazz, Blues, Pop and Folk. 10 MP3 Songs GOSPEL: Contemporary Gospel, JAZZ: Jazz Fusion Details: New Frontier is a Contemporary Christian group with a truly unique flavor. Mixing individual group members various influences, the band has achieved a pop sound interwoven with strands of Jazz, Blues, Folk and even Funk. This three-piece band consists of Joe Allen, bass and vocals, Chuck Felts, drums and vocals, and Matthew Getsi (Mat Getsi), guitar, keyboards and lead vocals. New Frontier is based out of Corbin, KY and is destined for the world. Throughout the history of mankind, nothing has given more hope and inspiration than the written Word of God. New Frontier has taken verses from the book of Psalms, using exact word-for-word translation out of the New American Bible and put them to music. Why? Music has always been therapeutic, and we wanted to take this even one step further. By singing along with our songs, you will be quoting the very Word of God. There is great power in the Word, and we want to empower God's people, and maybe enlighten a few along the way that aren't familiar. This is the New Frontier that we stand for. Taking something that was always there and making it real for people. Showing people how to stand on God's Word and to make it a real and active force in their lives, thus our goal. There is far more than just encouragement involved here, there is power to part the Red Sea, make fortress walls crumble and to change hearts of kings and governors. This is a place most people have never been. We want to take YOU there. A Few Quotes: The quality of musicianship was extraordinary, and New Frontier related well to the students with a good balance of performance and encouragement. It was a wonderful concert, and we will have them back. (Michael Spencer / Campus Minister / Oneida Baptist Institute) What comes through in a concert by New Frontier is not only the excellent quality of their musical abilities, but the deep and living faith which gives support to their talent.

Their music is Scripturally based and insightfully presented. In addition to their vocal and musical talent, the members of the group are strong witnesses to the power of god at work in their lives. They dont just make music
