Influences of Flamenco, Jazz, Blues, and middle eastern sound is all over this album. You can dance to it, or just sit back and listen to 10 MP3 Songs in this album (48:09) ! Related styles: WORLD: Flamenco, JAZZ: Latin Jazz People who are interested in Gipsy Kings Ottmar Liebert Strunz Farah should consider this download. Details: Night Journey is the 2nd album from Nomad. We have continued the tradition of integrating cultures and sounds to create a well balanced music that you can move to or just sit back and relax. The sound might be a bit Latin but if you listen carefully you can hear blues, Jazz, and Flamenco as well. The title track Night Journey is a perfect example of the type of instrumentation and possibilities. We have kept the tradition of having members from different cultural backgrounds to enrich the music and allow the listener to experience a full array of sound. As usual the music is soulful, soothing, romantic, and uplifting. Enjoy
