COUNTRY: Country Folk, GOSPEL: Country Gospel Details: FOR IMMEDIATE RELEASE Contact: Mel Cohen, CFP, RFC Phone: 931 593-2484 Email: melcohen@hughes.net Christian Songwriter Sings Out to Support Our Troops On April 17, 2007, No Greater Joy Ministries, a 501(c)(3) non-profit charity, teamed up with Norm Schmidt, a singer and composer with a high-mountain voice akin to the late John Denvers, to distribute They Are Fighting For Me, a special tribute song for our troops. Three years ago, Norm was so inspired by the rescue of American soldiers in Iraq that he knew he wanted to make a difference. He took his God-given talent as a musician and created a CD to support the troops. His CD features 15 songs, including seven originals such as They Are Fighting For Me, A Song For Leeland and Another Blessed Day, plus a personal testimony. According to Norm Regimbal from Radio Station WCER, They Are Fighting For Me offers a unique combination of Christian Gospel with country flair. His CD will be enjoyed by a variety of music lovers and Christians! Has Americas support for our Troops Faded? I think not, says Norm, a pilgrim, a patriot, and a preacher with a passion to send a message to our troops and the American people that we Hate the war, but still support our soldiers! In a special musical project dedicated to this cause, Schmidt penned his tribute song for our troops entitled They Are Fighting For Me. We all hate war, and no one wants war, but While our troops are there, lets show them we care. Michael and Debi Pearl of No Greater Joy Ministries (NGJ; nogreaterjoy.org) have continually ministered to the military since the Vietnam War. For years they kept their doors open five nights per week, sharing the Gospel with returning servicemen. NGJ currently sends out over 3,000 military packages per year to active duty military personnel and their families. They send a collection of their own books, CDs and DVDs, plus toiletries, cosmetics, childrens books and toys they purchase from other nonprofits. They will

be adding They Are Fighting For Me to their current packages. The average package has a retail value of over \$125. Page 2. The Ministry also gives free material to prisoners, missionaries and fulltime Christian workers as well as providing financial support to missionaries in nine countries. Since the grassroots recording of They Are Fighting For Me three years ago, the song has been played on several radio stations and ordered by Pastors as Norm has ministered in churches. The vision is to market the CD on a global scale and gain worldwide support for the project. The initial order was for 7,000 CDs to support the joint efforts between No Greater Joy and Norm Schmidt. The CD will retail for \$12 with volume discounts up to 60 for NGJ Distributors and others that want to distribute this CD to help support the effort. A portion of all proceeds will be used to provide free CDs to active military serving anywhere in the world and to charities for veterans of Afghanistan and Iraq. The official They Are Fighting For Me website theyarefightingformewill go live on May 2, 2006.
