80s British Invasion pop 10 MP3 Songs POP: 80's Pop, ROCK: British Invasion Details: It was 30 years ago when Loose Records first met Pete Bite. Back then he was the new boy in town (London, that is) from his home in Northern Ireland via a spell in Scotland. He was only in London two days when Mickie Most signed him and recognised the raw talent of his song writing in his demos. Following his time with RAK he was signed to various other companies all ready to exploit that recognised talent. Loose Records are proud of their long association with Pete Bite and are proud to announce that his second re-mastered album is now available on CD for the first time. If you missed it first time then please take the time to enjoy it NOW. See also Pete Bite The Downfall of Stiffneck and the Silver Circus Band People who are interested in should consider this download.
