This CD contains beautiful songs of celebration. "Thank You" is a song of praise. "Peace in the Family" is a wonderfully acoustic tone poem promoting family unity. The native Americans are heard on "Pray for Peace". 11 MP3 Songs NEW AGE: Healing, WORLD: World Fusion Details: This album took 6 years to complete. It took on many forms and it always seem to be missing that spark of devotion. It took those many years to finalize the spark, but it is there in every track. The heart is calling for Peace and Unity in the world and in our lives. It is something very dear to my heart. I am playing harp on almost every track and this is the only album that I am doing this. It in orchestrally situated on the track and not as a solo instrument.
