Shes had to opportunity to showcase all of her talents after relocating to Los Angeles where shes appeared on My Wife and Kids, ER, and iPod commercials. She was co-owner of the production company and record label that produced and released her first hit single entitled Hypnotized. Sixx wrote and arranged Hypnotized which received national airplay and impressive sales. She owns the studio where shes producing, recording and mixing her second album. Sixx embodies all the qualities of the next powerhouse entertainer as an astute business woman, sexy siren songstress, and talented songwriter. She has cultivated her sound- a satisfying blend of R&B, Hip Hop and Rocky Dance music that is truly original and authentic. And because of her

genre-bending style, Sixx fits comfortably on any stage with any artist. She combines the exciting stage presence of Beyonce with the sex appeal of Rhianna and delivers a performance that sets her apart in the company of a new breed of entertainer. Sixx's mom, an accomplished jazz singer-pianist, exposed her to the life of a musician at an early age. Sixx made her first stage appearance at the tender age of 5 as the featured artist for one of her mothers shows where she quickly identified her passion for music. Dance, voice and piano lessons followed by age 7, and Sixx went on to get a scholarship to study musical theater seriously in New York. After college she moved to Atlanta and spent the next couple of years honing her craft and gaining knowledge and experience in the music industry by sharing the stage with artists like P-Diddy, Jay Z, Missy, and Mariah Carey just to name a few. Sixx is bright, beautiful and blessed. In an era of prefabricated wind-up divas, shes refreshingly self contained, remarkably focused, positive, and true to herself and to her art!
