An eclectic mix of folk, country, irreverent gospel, bluegrass and light rock. You've never heard this.. 15 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: Smythe and Taylor (TC Smythe and Gary Taylor) met while working at an oil company in Houston. TC had just learned to play the guitar and was offered her first gig at a coffeehouse, but she didn't have enough material to fill the night. She heard that a co-worker, Gary Taylor, played guitar, so she called him to help out, and he's been answering the phone ever since. Smythe and Taylor offer a wide variety of eclectic acoustic music, from the traditional to the contemporary, including originals, country, folk, rock, blues and bluegrass. The duo is known for their tight symbiotic harmonies, their humorous lyrics and their 3D guitar playing. They have been playing together since 2000 and have released 5 CDs. Their latest, Maybe its Because Im Missing You was released in 2005. Gary and TC have won many individual songwriting awards, including HFBSA's Song of the Year, Songwriter of the Year, Lifetime Achievement Award, the 2005 Woody Guthrie Songwriting Award, the Houston Acoustic Jammies, Best Original Song and the American Songwriter Magazine Lyric competition. Most recently, the duo is nominated in 4 categories of the 2006 Academy of Texas Music Awards. Smythe and Taylor have played in hundreds of venues, within and beyond Texas. Their 2006 world tour begins July 14th in Guilford England, at the Guildford Folk Festival.
