

Mp3 Tripthrottle - Altered State

[DOWNLOAD HERE](#)

On their debut album, Altered State, the electronica band TripThrottle blends elements of Techno, Break Beat, Ambient, Hardcore and Rock and in the process proclaim to the world that they are the new name of Electronica. This is a MUST have. 11 MP3 Songs ELECTRONIC: Techno, ELECTRONIC:

Breakbeat/Breaks Details: Album Description "Electronica for the Masses" The debut release Altered State, by TripThrottle, is an engaging and intelligent take on the Electronica genre. With elements of Dance, Break Beat, Techno, Ambient and straight up Rock and Roll, this album is a must for any electronica lover. The first track, Ascent, introduces the listener to beautiful piano sounds contrasted with aggressive guitars and sets the stage for a musical journey in true TripThrottle style. This album is truly "Electronica for the Masses". About the Artist Brian Robinson and Shawn Mott make up the Electronica Band TripThrottle. Formed 2 years ago the band has spent the last year writing, producing, mixing and mastering their debut album Altered State.
