DJ Un Reaper has already received attention from Sony Music, Ruff Ryders, Universal, Columbia and Def Jam representatives associates. The Reaper's beats have marked him as one of the country's most dynamic DJs and Producers. The streets are bangin Un Reaper, be a part of the culture.

----- The Album ----- "Book One: Love. Loyalty. Honor." is the 1st official independent release from Un Reaper as an artist. Having been through the underground, Reaper maintains his rough edge while bringing forth a broad range of subject matter. The streets of the gutter can be felt through this album. Both the good and the bad...the joy and the pain, can be found on Book One. BELIEVE THIS, this album IS NOT another generic rap album. Your boy Un Reaper gets deep and amped up on this one. It's definitely worth a listen. With the "Mid-Atlantic Urban Radio" series being run by DJ Un Reaper, they've already worked with several Sony, Def Jam, Ruff Ryders and Universal

affiliates with their Street CD projects. ----- The Artist - Gutter Flashy

----- The "streets intellectual" is here and keepin' it gutter. With every song, Un Reaper brings pure emotion upon his listeners and draws the crowd with catchy hooks matched with a melodic flow. His "straight to the point" street lyrics, bold attitude, and strong self confidence not only entertain his audiences, but they also give the listener a sense of 'bravado' to sing along with. Do NOT let this fool you, when listening to Un's lyrics you'll soon realize that his subject matter is of years beyond his age. A feel of maturity, intelligence and focus on every day emotions with a blend of strong morals will leave the listener enlightened and inspired as well as entertained. ----- The

Production Company ----- Un Reaper is a talented producer with a wide variety of bangin' styles. Every production will make the listener nod their head. Un Reaper lays his foundation on heavy drum bass combinations to create non-stop BANGERS. He produces anything from crunk to street bangers to thought provoking smooth melodies. If you're looking for hard bass and knocking drums, you've come to the right place. It's nearly impossible to sit still while playing Un Reaper. Either you "feel" Un Reaper or you don't like rap music. ----- Bio Mission

----- Un Reaper, born Jamal Rose on July 26, 1985 in Baltimore, MD, is here to make moves. As a young entrepreneur, his focus is on improving the lives of his family, his team, and the Rydas of the urban community. Un Reaper is dedicated and determined to make it beyond the streets and live a healthy and positive life. He's a voice for the young, intelligent, and capable members of the next generation. Un World Entertainment is the 'silence', the 'movement', the 'world'. Our mission is to build the Mid-Atlantic Urban Media Identity. While doing so, we help build our own financially empowered and socially developed future. We promote the Unknown Movement, which is based in the positive progress of members of our urban communities. Un World members maintain an organizational code on the principles of Love, Loyalty, and Honor. Our organization represents a culture. The World is a family of positive and progressive people and business entities. We strive on the economic advancement and social development of the urban world.
