Details: WIN THOMPCKINS AKA: UNCLE WIN Win Thompkins was born and raised in South Florida. He is the third of ten children and was reared in a happy home filled with laughter, music and songs. During his Christian upbringing, it was natural for Win and his siblings to sing in the church choir. As the young men grew into talented teenagers, Win and his brothers began to travel and sing gospel music locally and around the country. At the tender age of fourteen, Win had already recorded his first gospel record which was released as a single on Cross and Crown Records. His first album was released on Holt Sullivan Nashville's label at the age of sixteen. This was followed by seven other albums, some featuring additional artists through the years. At this juncture, Win not only composed the songs but added production to his list of artistic skills. His 26 song CD titled FOOT STOMPIN(vol. 1)is indeed a masterpiece! Many say that the project pulls on the strings of the heart and has legs and will be around for a very,very long time. FOOT STOMPIN is guaranteed to make you clap, stomp and dance in the spirit. In addition to this album, Win produced a LIVE UP CLOSE CD and DVD, FOOT STOMPIN REMIX and FOOT STOMPIN (vol. 2) a 36 song CD BUSH HARBOR REVIVAL with all the revival songs you remember from days gone by. Uncle Wins repertoire has been updated with his new long awaited CD, Project Joshua, which will shock the world by his new approach to combat the field of false beliefs and teaching thats going on in so many churches today; where false prophets are running rampant with game and manipulation--"Pimpin" the flock of Christ through deception and mind control. This CD promises to be an eye opener for some and a grim reminder for others who see the trickery thats being

played on so many unknowingly weak minded people who think all is well and hunky dory but really dont know the story. Titled tracks such as Pimps in the Pulpit, Slow Train, Everybodys got a plan, They want Control, and True Player are sure to open your minds' eye. The CD, Project Joshua, promotes the changing of ones heart and mind for the crossing of the Jordan to enter the land of spiritual substance.
