### Polk Audio AA5252-A MM5251 5.25-Inch System Component System

Published July 27, 2012 | By admin

Polk Audio AA5252-A MM5251 5.25-Inch System Component System

Neodymium Magnets a rare earth metal offering exceptional strength to performance ratio, found only in the most exotic speakers, saves tremendous weight. Don't let the sound system weigh your vehicle down. Carbon Composite Basket based on the spokes of a wheel is lightweight, will not flex during peaks and looks great! Don't be afraid to show off the back of your woofer. Kippel Optimized Components using a state-of-the-art Kippel Distortion Analyzer, Polk engineers were able to optimize the woofer's motor structure, voice coil alignment and suspension for the best possible performance, even at extreme listening levels. Woven Glass Composite Cones feature tremendous stiffness-to-mass ratio. Lower mass means faster transients and finer detail.

Of all the ways people trick out their automobiles, car audio is not only at the top of the list, but it's also something people willingly spend big money. Think about it, who doesn't have a stereo in their car? When I was younger, my car stereo was very important and I remember spending some bucks on it to make it good and loud. These days there are even more choices and more products for people to purchase and they could be buying from your store! Here is your opportunity to profit from a wide market that often pays high dollar for the right equipment. From the average people that just wants music in their auto to the hardcore fanatics that are always trying to out do the competition. Best yet, many of these products are high ticket items, which can mean much bigger commission checks for you! There are amps that sell for over \$1200 on this one, and you could be making those large sales. You also have to remember that

there are many parts and pieces to a car audio "system", from the stereo to the speakers and even the amplifiers. It's also a evergreen niche meaning that there will always be a need for the products in this niche. It's not a market that's going away any time soon. Car owners are always going to be buying the latest and greatest.
