

Constrained Optimization And Optimal Control For Partial Differential Equations

[DOWNLOAD HERE](#)

From the contents: Introduction.- Constrained Optimization, Identification and Control.- Shape and Topology Optimization.- Model Reduction.- Discretization: Concepts and Analysis.- Applications.

EAN/ISBN : 9783034801331 Publisher(s): Springer, Berlin, Springer, Basel Discussed keywords: Partielle Differenzialgleichungen Format: ePub/PDF Author(s): Leugering, Gnter R. - Engell, Sebastian - Griewank, Andreas
