Feather Down Lorie O'Clare Raptors Revealed, Book One Dover Down fixes things. Regardless of the species, Dover will fly into any problem and set matters straight. When he arrives in Banff to learn why species are suddenly ready to attack each other, he might be the one who needs to be set straight. Especially when he falls too hard for Lana Halk. There's one problem-Lana's nest might very well be the reason all the species are fighting. Lana is positive about one thing. Any male who flies by her side will treat her as an equal. There is no way she will ever sit at a nest and have her kill ready for a male who shows up when he wants to get his tail feathers wet. But when Dover shows her how erotic lovemaking can be, he also steals her heart. If he's in town to destroy her nest, she won't be able to live with herself. Unfortunately, Lana also knows there is no way she can live without Dover. Author: O'Clare, Lorie
