

Human Frequencies - Milton Dewayne Benson

The poetry, photography, articles and humor you'll find inside the pages of this book come from a mind and life marinated and stewed in dysfunction. But this book isn't about what those limitations or lamentations are, but more about finding inspiration to overcome them! M. DeWayne Benson delivers on an ambitious debut. His ability to express his view through poems, speeches, essays & photo art allows the reader to deepen their experience with life and all the humor that is created around each one of us.

"Life moves with force, I can only react" & "Don't Forget to Breathe". Wise words and the perfect gift; from DeWayne to us and for each of us to share. Mark Kokocki, Life Coach and Founder of
